

SCREAMING O STUDIO COLLECTION

Screaming O has released its new Studio Collection. In addition to a multi-speed lipstick vibe, there are also vibrating mascara wands and makeup brushes. Each buzz-worthy toy offers a different sensation, like the tickle of the mascara, the tease of the brush or the direct stimulation of the lipstick. These elegant toys are beautiful and functional, and we know you'll agree the brand lives up to its name!

CAKE KISSABLE LUBE

Edible lubes had started to become predictable, usually available in either vanilla or tropical fruit flavors—then along came Cake. Each bottle tastes like one of our favorite confections: angel food, cookie dough, devil's food and red velvet. The brand's motto—"Have dessert first!"—is definitely on the money. Cake turns even the kinkiest sex into the sweetest treat. So go ahead, lube up and enjoy some Cake!

ASIAN PERSUASION LOVE DOLL

Got a thing for ladies from the Far East? We can't tell you how to pick up juicy Japanese girls like Asa Akira or Indian cuties like Amai Liu, but we know that the Asian Persuasion Love Doll is a sure thing. The latest in inflatable lovers, she has smooth "skin," perky breasts, and three fuckable holes. No matter what you want or when you want it, she'll be happy to serve you. And really, what more can you ask for from a partner?

REAR ENVY BUTT PLUG

This stylish butt plug is our favorite two-for-one toy. The plug is made of soft, pliable rubber with a tapered head that's great for insertion and a flared base that helps keep you safe. Then there's the tail. When used as a plug, the tail is a cute add-on, but it doubles as a flogger, its thin rubber strands perfect for punishing your partner, whether they've been naughty or nice!

These and other products are available online at www.PenthouseStore.com or by calling 1-877-217-3436

TURBO SUCK

Women aren't the only ones who can enjoy battery-powered pleasure objects. Our favorite in the toys for boys category is the Turbo Suck. This multi-speed stroker is a motorized masturbation sleeve with textured rubber lining a wide plastic tube. With just four C batteries, it'll stroke your dick and provide plenty of suction, too. So next time you want a blowjob and don't have a partner, the Turbo Suck will help you blow your load!

RAINBOW ORGY KIT

When one or two toys just aren't enough, the Rainbow Orgy Kit does the trick with 12 orgasmic options. If you need solo pleasure or something that'll work with a partner, there's something here for you. From cockrings and penis sleeves to clit stimulators and internal vibes, you'll definitely find a way to get off with this collection!
