### PROFESSIONAL HISTORY

Time at the Ranch: Six months

"I heard someone talking about the show *Cathouse*, and it sounded intriguing, so I applied for a job on a whim. It was a totally spontaneous decision."

"I was a little nervous when I started working, because I thought I'd be awkward or that I might get tired of sex. But it was so easy! I'm a people person, so I think it's great that I get to meet new people, and I get to have sex every day. I love it!"

### EXPERIENCE HIGHLIGHTS

"Before working at the Bunny Ranch, I never really gave handjobs. It seemed like a lot of work and kind of pointless, but now I really enjoy it. I have my own technique, and it makes it good for me and the client. A lot of guys really want handjobs, too. Sometimes that's all they want."

"Clients can either pick me out of a lineup when they come in, or they can go to the bar and I can pick them up. I like getting the guys from the bar the most, because then I know I worked for it. No matter how I get a client, though, I always make sure they get my full attention and have a good time. Everyone's always happy in my room."

### SKILLS AND COMPETENCIES

"I love doing girl-on-girl shows, and I do at least one a day. There are a few different girls I work with regularly, depending on what the client wants to see, but all the girls are really great."

"A typical session with me starts with a good blowjob and some deep-throating. I like to twirl my tongue around the tip and really get him worked up. Then we'll move on to sex. I prefer missionary and doggie-style, but I'll try any position a guy wants. Usually, though, my clients like to at least finish in doggie-style—I have a great ass! Afterward, I'll offer the guy a massage or a shower, and sometimes we'll go another round. I never just kick someone out as soon as the sex is over."

### ACCOMPLISHMENTS

"My wildest party was a pool party. There were five people involved, three girls and two clients. Everyone was naked and splashing around in the water and having fun. It was a really good time."

### TEACHING OVERVIEW

"My best sex tip is, make sure you try all the different positions, because you may be more comfortable doing things in a new position, or you may just enjoy it more. And don't judge a book by its cover. A guy—or girl—may not look like your type, but if you get to know them, you may have great sexual chemistry." ◊

“THE BEST CLIENTS ARE THE ONES WHO ARE THERE TO JUST HAVE FUN AND ARE OPEN TO TRYING DIFFERENT THINGS. THERE'S NOTHING I WON'T DO, AS LONG AS WE TALK ABOUT IT BEFOREHAND.”
