

**DR. LAURA BERMAN PANTY PLEASER**

Getting off feels even better when you can do it in new places, which is why we like the Dr. Laura Berman Panty Pleaser. The remote-controlled vibrator is perfect for sneaking in some extra sexual satisfaction anytime, anywhere. It has 10 functions, so you'll never get bored with your vibing options, and it fits perfectly in the crotch of your panties—hence the name. You can control your own orgasmic bliss or pass off the remote to your partner so you can let your satisfaction be a surprise.

**DIVINE 9 LUBRICANT**

There are a lot of lubes on the market, but Divine 9 is definitely one of a kind. The water-based lube is made with natural plant extracts that will leave your skin feeling soft and silky after use. It's also being studied by the National Cancer Institute and McGill University for its potential health benefits; research has shown it could block certain cancer-causing viruses like human papillomavirus. Health benefits aside, it's a damn good lube! This is one product we think everyone will want to check out.

**PERFORMAX INTENSE CONDOMS**

We've seen condoms for her, for him, for your friend, your third cousin—but this is the first condom we've seen from a major player that's designed to make everyone happy. Men will like the heat-activated climax-control lube inside the sheath as well as its incredible comfort when it's on, and ladies will like the condom's various textures. And since they're made by Durex, you know they're strong, safe and will get the job done.

**PHOENIX MARIE PET PUSSY**

Penthouse Pet Phoenix Marie is known for her anal antics, and now you can join her. The brazen blonde porn starlet's ass is in high demand, so it's not likely she'll have time to, uh, squeeze you in, but the Vibrating Pet Pussy and Ass, molded directly from her cute cunt and delectable derriere, is the next best thing. The pussy part of the toy is perfectly fuckable, but the toy's tight backdoor is a must-screw for us. We're sure Phoenix would agree!

**MOOD: BLISSFUL**

We love a bargain, and the Blissful vibrator is a great two-for-one deal. The seven-function toy comes with two interchangeable vibes: a small bullet and a larger egg. You can keep both to yourself or give one to your partner and share the joy. However you use it, you'll be rewarded with powerful vibrations that are sure to make you feel the bliss the name promises.

**BASIX 18-INCH DOUBLE DONG**

Size queens, rejoice! The Basix 18-inch Double Dong is one of the largest toys out there. If you're feeling adventurous, you can try to conquer this beast on your own, but we suggest using it with a partner. The two-headed cock—which boasts a five-inch girth—is ribbed for extra pleasure (as if 18 inches of dick isn't enough) and the bulbous crowns will stretch you nicely for even more erotic enjoyment. It's guaranteed to give you a good time!
