WARMING & COOLING O BALM

We all love a little extra sensation during sex, and one cool—or hot—new way to get it is with Screaming O's O Balm. You can apply it directly to your sensitive areas or slather it on your lips and kiss your partner anywhere you'd like him or her to feel some extra tingle. The cooling balm has a minty scent and taste, and the warming balm is cinnamon-flavored. Whichever you choose, we're sure you'll be screaming this product's praises in no time!

MAX HEAD ORAL SEX GEL

Specially made for giving head, Max Head Oral Sex Gel makes sucking dick even more enjoyable. The lubrication it provides makes for a more sensitive shaft, and it includes ingredients to slightly calm the gag reflex so you can deep-throat a little deeper. And let's not forget the flavors. Sugar Daddy and Berry Orgasmic are sweet and delicious, while the Mintastic has a cool, refreshing taste. We're sure they'll make you crave cock like never before!

PEARL DIVER SHEETS

Tongue-in-cheek design firm Vice Merchants has created our new favorite linens, the Pearl Diver bedding sets. Whether you get the crisp blue or pale pastels, you'll enjoy the underwater landscapes on these 300-thread count Egyptian cotton sheets—enhanced with images of nude scuba divers, erotic mermaids and sexy sea creatures. Even if you sleep alone, the lust-worthy linens should inspire some amazing wet dreams. . . .
